Dear Morristown CSD Families,

It is my pleasure to welcome each of you back for the upcoming 2023 - 2024 school year. It is my hope that you spent your summer relaxing and making some lasting memories. As we approach the first day of school on September 7th, I wanted to take a moment to remind you of the upcoming Back to School Bash and Open House planned for Tuesday, September 5th from 3:30 pm to 5:30pm at Morristown Central.

This year both events will be held simultaneously at school, and all student supplies will be provided by the district for students. With this in mind, it may be helpful to start in the gym where backpacks, hygiene supplies, and vendors will be organized prior to visiting classrooms where student supplies will be located. Please remember that backpacks and hygiene items are available in limited quantities; these items have been graciously donated by the Brier Hill Fire Department, Morristown Dollar General, Capital Consulting Group, and Mahoney's Auto Mall.

In addition to being prepared for school each day, there are other important components that influence student success. At Morristown Central, we are fortunate to have strong home-school connection and support, a network of caring professionals, and students who are committed to their learning. Student attendance is another important part of student success. Research shows that students who are regularly in attendance outperform peers who are chronically absent, which is defined as missing 10% or more of days school is in session. As such, please help us support your student by encouraging your student(s) to arrive on time and be present on days school is in session.

As part of our effort to improve communication, we have reworked our Parents/Community Resource page on our school website. However, should you find yourself in need of help or with questions that cannot be answered by utilizing this page, please do not hesitate to reach out to someone; the greatest part about our school is the network of professionals who all want to support you and your student(s). This, I believe, is what makes our school community such a great place.

Respectfully,

A handwritten signature in blue ink that reads 'Corey A. Flynn'.

Mr. Corey Flynn
Morristown Central School District Principal
